Oklahoma National Stockyards Weekly Cattle Summary									
Compared to the last test two weeks ago: Feeder cattle and few calves steady to 2.00 higher. Demand good for all classes. Feeder and stocker buyers beginning to compete for the 6 weight steers as a stocker willing to play in the feeder pool on one weighing 650 lbs but the feeder not so quick to buy one weighing in the 600-650 lb range. Quality plain to average. Feeder cattle in medium to fleshy conditions, few thin. Hay supplies beginning to run tight as snow storm after snow storm has deplete much of last year's hay. Snow fell most of the day Monday, however this storm not as strong as the previous two storms and much of it melted as soon as it hit the ground.
